JBAS 7 eligible for entry to WA

### **Droughtmaster Group Breedplan**

Breed average EBVs & percentile bands in catalogue

### **Horn/Poll Test**

**PP** – This animal possesses two copies of the poll variant of the gene. This animal is highly likely to express a polled phenotype and will always pass a poll variant to its progeny.

**PH** – This animal carries one copy of the poll variant and one copy of the horned variant of the gene. This animal is highly likely to express a polled or scurred phenotype and will transmit either the horn or poll variant to its progeny.
